

## Guidelines and Instructions Symposium on Student Scholarship

Undergraduate research is an inquiry or investigation conducted by an undergraduate student that makes an original intellectual or creative contribution to the discipline. The Berry College Annual Symposium on Student Scholarship was created to provide an opportunity for students to present their research findings and creative works. This day celebrates student scholarship and creative endeavors across all disciplines. All Berry students are welcome to submit an abstract and everyone is encouraged to attend the symposium!

**Application Checklist** Applicants must submit all of the following by the due date:

- ✓ Completed student application and abstract;
- ✓ Cover page with signatures from the applicant and the applicant's mentor;
- ✓ All applications must be sent as an attachment **by the faculty mentor** to [undergraduateresearch@berry.edu](mailto:undergraduateresearch@berry.edu) by the due date.

By signing below, I agree that I have read and understand the above instructions and will follow them.
